WHAT IS THE GATE PROGRAM? GIRLS AND TECHNOLOGY EDUCATION
The GATE Program is a four-day residential program designed to introduce female high school students from diverse backgrounds to the field of Information Management and technology.

PROGRAM OVERVIEW
The program is designed to help students explore the dynamic world of information management and technology and careers within the industry. Students will have opportunities to interact with diverse professionals, as well as visit and observe them in their work environment.

WHO MAY APPLY?
The GATE Program is open to any female high school sophomore. Students must be entering the 11th grade in Fall 2018 with an interest in information management, technology, and business in general, and a 3.0+ GPA.

HOW TO APPLY
Applications may be submitted online at http://tinyurl.com/gate2018. The application deadline is March 31, 2018.

The Haslam College of Business at the University of Tennessee is pleased to announce the acceptance of applications for the 2018 GATE Program. The Program dates are July 28-August 1, 2018.

What is the GATE Program?
The GATE Program is a four-day residential program designed to introduce female high school students from diverse backgrounds to the field of Information Management.

The program is designed to help students explore the dynamic world of information management and careers within the industry. Students will have opportunities to interact with diverse professionals from business and government, as well as visit and observe them and their work.

What other activities will students be involved?
Students will attend classes, visit a local company and industry firm and shadow the professionals, interact with business students from UT, and hear presentations from various professionals on campus (admissions, scholarship office, Office of Undergraduate Programs).

Who will teach the classes?
The classes are led by faculty members from the Haslam College of Business and area-wide business, and community leaders.

Who may apply?
The GATE Program is open to any female high school sophomore. Students must be entering the 11th grade in Fall 2018 with an interest in information management, technology, and business in general, and a 3.0+ GPA

What is the cost?
There is no cost to attend; however, there is a $20 seat reservation fee once selected for the program. All program fees will be covered for students selected to participate in the GATE Program. This includes the cost of tuition, room and board, meals, books, and supplies.

What are the requirements to apply?
Students must have an interest in information management, technology, and business in general, but are not required to have completed business courses. Students must complete an application, provide a copy of their high school transcript, submit a letter of recommendation, and show involvement in school, community, and/or extracurricular activities.

When is the deadline?
The application must be submitted by March 31, 2018. Students will be notified of their acceptance within three weeks of the deadline.

Where will students reside?
Students are required to live in the residence hall at the University of Tennessee, Knoxville campus to help students become familiar with the on-campus living environment.

Who will supervise the students?
Students will be supervised by University Faculty, Staff, Administrators, and trained college students.

How may applications be submitted?
Applications may be submitted online at http://tinyurl.com/gate2018.
